Description of series and its contents:

This series consists of the various records produced by the Office of Victims Services which is housed under the umbrella of the Office of Health and Counseling Services in the Division of Student Life which are too small in quantity to constitute a separate series. The Office for Victims Assistance is “committed to providing quality services and advocacy to victims and survivors of sexual assistance, stalking, and domestic and dating violence through a concentrated community response. We support and provide programming and education directed at eradicating sexual violence both on campus and in the community.” The office was created with the aid of a Department of Justice grant which funded the program for a three-year period beginning in 2011.
