Description of series and its contents:

This series consists of the correspondence and memoranda produced by and for the Individualized Studies Program in the College of Arts and Sciences. The Bachelor of Arts in Individualized Studies "prepares learners to approach issues from a range of perspectives and to develop a deeper and broader understanding of complex subject matter. Under the guidance of advisors who foster intellectual exploration across curricular boundaries, students take responsibility for their education and engage in shaping its direction towards interdisciplinary problem-solving."
