Description of series and contents:

This series consists of the correspondence and memoranda produced that are related to the Cultural Events program at Winthrop. Winthrop undergraduates are required to attend a certain number of cultural events to complete their degree. “The academic programs at Winthrop University are designed to help students develop to their full potential as educated persons. The University strives to offer its students a setting in which they can mature culturally, as well as intellectually. In an effort to provide a well-rounded education, the Winthrop faculty has approved a cultural events policy. The purpose of the cultural events requirement is to establish and foster a life-enriching pattern of cultural involvement. A record of student attendance at cultural events is part of the student’s permanent record and senior audit.”

This series is organized by calendar year.
