As an Enjoyable Entertainment, the Cotton Ginning Report, a book by Miss Mabel Eadie, will be on the stand of the Department of Agriculture. The report shows that there had been a great increase in the production of cotton in the Southern States. The report is a valuable contribution to the literature on agriculture.

The Springfield Window, a newspaper, has published an article on the problem of how to improve the efficiency of the government. The author, Dr. William J. Davis, argues that the government is in need of a thorough overhaul and that the only way to improve its efficiency is to create a bureau of good government.

Women As Well As Men Are Made Miserable by Kidney Trouble.

Kidney trouble very often is the most disabling and expensive of ailments. It is more common than we think, and in many cases can be prevented by the use of the proper medicine.

Don't Risk Life

By eating foods that are cheap and old. The health-depends on the body, and the body cannot live without the proper nourishment.

Critical Moment

The time to act is now, for the more you delay the harder it will be.

We are open from 7 a.m. until

Discharging An Obligation.

As I am under obligation to keep something in this column of interest to the good people of this county I wish to say that recently Santa Claus has established headquarters with us and until Further Notice we will do our best to fill all orders for Holiday goods.

We have received the largest shipment of Candy ever sent to any retail store in Chester, from plain stick to the finest Chocolates and Bon Bons, which I will sell at wholesale and meet any price and give them one better.

To the Retail Christmas shopper we will make prices lower than you have ever seen before. We have got the quantity, price and all the discounts and mean to cut the life out of the price of EVERYTHING. Nuts, Balansa, the fandant line of cakes ever shown in Chester.

Still selling the finest Cream Cheese for 15c. Margaret J. for rent.

Old Fashion New Orleans Muffins.

New Crop Georgia Candy Syrup, the finest to be had, at 20c. Place the best and just a little cheaper than you buy elsewhere.

Premier Packed Wheat. If you haven't tried it if you have missed one of the greatest delicacies and satisfactions already prepared, only one package and a chance at a handsome Webster Carving Set.

The only trouble we have in our tobacco business is to have the price too low, they are taking it as fast as we can run out, but we are getting the best things and will continue the sale as long as our valuable stock lasts.

Corn, Bran, Cotton Seed Meal and Oats at bottom prices. While we have been selling standard measures at 10c, I have decided to sell for a start only the fanciest 10000, none better, at 8c. I must tend.

Yours for kind courtesy and polite service.
