Children's Cry for Fletcher's CASTORIA

The Kid You Have Always Wanted, and which has been in use for over 20 years, has not been made under his personal supervision since its infancy. Allow me to correct you in this by stating that Fletcher's Castoria is not owned by him. What is CASTORIA is Castoria is a trademark registered by the Federal Government of the United States. It is pleasant. It contains bitter Orange, Clove and other aromatic substances which have been in common use for the relief of Gastro-enteric Troubles, with a number of other substances, and also contains acetylsalicylic acid. GENUINE CASTORIA ALWAYS Bears the Signature of Chester Fletcher.

Apology to Reason

Ask any of the great army of Postum users what influenced them to try this beverage, and the reply nine times out of ten will be that they were convinced of its superiority and comfort. In ten cases out of ten, the creamer was preferred, the coffee-like flavor being much more pronounced than with any other substitute. The Postum comes in two forms: Postum Cereal, which has to be boiled; Instant Postum—soluble—made in the cup, instantly. Some prefer one, some the other.

JANUARY BARGAINS

Fresh Blue Leek Strains, of Lowndesville, S. C., who have been the originators of this strain, have received an order for 5000 bulbs, which is the largest order of the season. The bulbs are now in the hands of the growers.

What is CASTORIA

The South Carolina Highway Commission will receive about $160,000 this year from the federal government for the improvement and maintenance of highways. The surplus collected is to be remitted to the state for the improvement and maintenance of highways.

The annual meeting of the State Highway Commission will be held in the near future for the purpose of selecting six members, to wit: the nine electors of the people of the county. The banquet and dinner will be held on the 11th day. At the conclusion of the festivities the meeting will be called to order and will proceed to the transaction of business. The proceedings of the board will be published in the Official Register of the State Highway Commission.

B kitten. The kitten was found at the corners of Main and Market Streets. It is a small, white kitten with blue eyes. It was taken to the Asylum for Animals and is now in the care of the directors.

Born!
A Southern Gentleman!

It was Midnight November 4th 1901 In Durham, N.C.

"Gentlemen," he said, "He is perfect. Quality does tell. You can't fail to recognize good blood. His mother was a Virginian, his father an alumnus of the Carolinas. He comes from the very best stock—the very sweetest, ripest, most deliciously grown Carolina tobacco, and we will raise him right in one of the whitest, cleanest, healthiest homes on earth."

Even then I was glad all over to hear his words. It is a great thing to have real breeding behind you, to know who your folks are. It starts a fellow right.

We Folks of the South KNOW good blood.
"The South's the Best!" KNOW good tobacco.

That is why I just had to have lots of friends down South here. I want you, Mr. Reader, for one of my friends, and it means a whole lot when I say—

I am guaranteed by the
North Carolina News—Buy me.
If you don't like me, I want you to make it clear, and get your money back. I have said it. A Southern gentleman is known the world over for his word, and I have given you mine.
