The person receiving the largest number of votes will be a target for a good prize. This prize, after she has enjoyed the use of it, will be presented.

This prize, after she has enjoyed the use of it, will be presented. It can be voted in the prize contest in which a good deal of interest will be shown. It will not be accepted by the winner until after Tuesday, the 26th; so that as many as possible can have an even chance for the remainder of this year; otherwise they can vote only for the one who has paid for it in advance - two for the first four, and one for the remainder of the prizes offered, the one who pays the most for it will be our best choice for the prize.
