President Wilcox, recently retiring from our railroad, is a man of integrity, and his own words are his bonds. He is a man of great popularity, and his private life is a model for all. In his new position, he will be a valuable asset to the company.

The following is a statement from the Board of Directors:

"Mr. Wilcox has been a faithful servant of the company for many years. He has always been a man of integrity and has never sought to take advantage of his position for personal gain. He has been a valued member of the company's staff and has been a valuable asset to the company in his capacity as President. He will be greatly missed, but we are sure that he will do well in his new position."
