Plant Life To Be Theme of May Day This Year, says Williamson

A theme of the Old South, showing the influence of the Old South on the life of the Old South, will feature May Day, according to Miss Jane Williamson, vice-president of the Student Government. A program of recitation and dancing, instead of a costume ball, will be carried out.

Taking part in the program are the Glee Club and members of the dance faculty, Misses Spisak, Corbin, and Jack Wilson. A group of glee students will be at work in the apartments of girls from the home department. The program is to be given in a May Day program as the culmination of several classes and projects of the students.
