For several years now it has been our privilege and pleasure to welcome to the college home of your daughter or son the group of young women who have come to Winthrop College. One of the highlights of their stay here will be the musical program. Mother, as you know, will have an opportunity to see the campus and meet your daughter's friends. The program will be held at 8:00 p.m. on Wednesday night in the auditorium. The program will be concluded with a band parade at 9:00 p.m. The program will include a series of musical numbers, which will be presented by the Winthrop College Band, and a dance in the dining room.

Bitter attacking foes.

Perhaps America is seeking refuge from reports of a world of strife and battle in the more peaceful fields of music, arts, and literature. America will be more musical and beautiful and modern in its music than ever before. But whatever may be the cause, the results are in evidence every week.

To illustrate for our gapes and murmurs:

SWING WITH SWAY IN “SECOND CHORD”

“A Second Chord” featuring an unknown dance team, led by Fred Astaire, a host of country music, and Alice Faye was to be under the leadership of Dr. Howard J. Wilson. It is expected that the audience will be well pleased with the show, which will open Saturday, September 17th, at 7:30 at the new auditorium.

In the picture Astaire and Goddard are a couple of dungeon players, and the scenery plays with some attempt to gain popularity with a lively orchestra. Mr. and Mrs. Astaire are in charge of arrangements.
