CHESER'S LARGEST STORE

We received the most serviceable and pretty Matting Saturday this city has seen in some time.

Some selections of the Matting are worth 25 and 30 cents the yard. We marked every piece 20 cents the yard.

If you have a room to beautify with Matting you will never have a better opportunity to purchase expensive matting at inexpensive prices than now. See several of the designs in our side show window.

**SHOES.**
Sensational Shoe Offerings. Ladies, Children and Men's Shoes going at a big reduction.

We received a tremendous load of Embroidery this morning. There are numerous designs. But what is prettiest about it is the remarkable cheap price attached to it. Come in and see it. You will find many more to examine these new selections than you had at the price that was sold Saturday at one cent a yard.

**THE JERRY COURT.**

For two or three Monday mornings in succession there has been writing about the Jerry Court, but yesterday morning there was a clean sweep of all the cases when the Jerry Court met for the first time in this season. The Jerry Court met at 4 o'clock this afternoon, and the cases that should have been heard were disposed of in the following order:

There was a sharp and decided conflict in the stories of the respective parties. The T. E. Smith and the two others charge 50 cents.

The mayor didn't express himself with any great eloquence on the one side or the other, but it evidently met with the satisfaction of both.
