STOMACH TROUBLE FOR FIVE YEARS

Majority of friends thought Mr. Hughes Would Die; but Our Doctor Resolved Recovery.

Pommeroy, Ky. — In 14 days I was down with only a little pain, I thought I would die. He advised me to try Black-Draught. I have seen many medicines for stomachs, but none equal to Black-Draught. I am so thankful for what Black-Draught has done for me.

Thaddeus Black-Draught has been tried and all my friends, except one, thought I would die. He advised me to try Black-Draught. I bought three ounce bottles, and have stopped since.

I got so bad, I could not eat or sleep, I tried different treatments, but they did not help me. I tried Black-Draught and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it. I took three ounce bottles of Black-Draught, and from then on I could not tell how long I have been taking Black-Draught. I have three ounce bottles, and have stopped since.
