**Address of A. L. Gaston to the Voters of the Fifth Congressional District.**  

NY [City], February 7, 1917.  

To the Voters of the Fifth Congressional District:  

The [candidate's name] campaign is based on the simple idea that the United States should be governed by citizens and not by politicians.  

We must remember that the future belongs to those who prepare for it.  

We are gathered here today to consider the needs of our country and to plan for its future.  

We must be careful to choose leaders who are dedicated to the principles of freedom and justice.  

We must be sure that our representatives are committed to the well-being of all Americans.  

We must work together to create a better future for ourselves and for our children.  

Let us be guided by our conscience and our commitment to the principles that we believe in.  

Sincerely yours,
