Washington Letter
From her Regimental Courier.

WASHINGTON, D. C., Feb. 25, 1865.

The latest Washington newspaper figures that the American army, numbering 5,400,000 men, has taken possession of the capital.

The captured Federal army, numbering 1,400,000, has been taken into the city.

The city is now in the hands of the Federal army.

The Federals are in possession of the capitol.

The American government is now in control of the capital.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.

The city is now in the hands of the American army.

The American government is now in control of the city.

The captured Federal army is now in the hands of the American government.

The city is now under American control.

The American army is now in possession of the capital.

The captured Federal army is now in the hands of the American army.
