An Idea of Prayer.

There are a number of religious themes that are central to the work of the late President Wilson. The following is a passage from a sermon he gave.

"The Lord is my Shepherd, I shall not want. He maketh me to lie down in green pastures. He leadeth me beside the still waters. He restoreth my soul. He leadeth me in the paths of righteousness for His name's sake. Yes, for His name's sake, even for His name's sake I shall not be moved. Though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever."

The below Specials did not just happen. Kluttz was going for them with the double-barrel breech-loading gun of buying for spot cash and in big quantities. The quantities are limited, so make a drive for them.

Kluttz discovered a spigots, indefinitely to sell at its cost, to pass the cost on to your costumers. You were not going to get them. So great is the demand.
