Given Up to Die

B. Spiegel, 4116 Virginia St., Virginia Heights, writes: "For over five years I was troubled with kidney and bladder infections which caused me much pain and worry. I last fell, and was all run down, and a year ago had to abandon work entirely. I have seen three of the finest physicians who did me good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured."

The Chester Wholesale Grocery Co.

The arch enemy of high prices on the war path again, with the same attractive proposition to sell every kind of Heavy and Fancy Groceries to consumers at wholesale prices for cash. Cash looks good to us, and everybody looks alike to us.

For one week, $5.00 buys 100 pounds Standard Granulated Sugar, $1.25 buys 25 pounds. We will sell you the best Patent Flour for $2.60 per hundred and leave you to judge it. Remember, we are behind this talk with the money to back it up. We have a tremendous stock of both feed and seed oats, meal, bran, hay, cotton seed meal and hulls, tobacco, molasses, wagons, buggies, guano. If you want to know how these things can be sold for cash come and let us figure with you. If you want to know on what terms they can be bought on credit come and see us. We will always give you polite and courteous treatment and tell the truth.
