Sheriff Seeks to Block

Last week the sheriff of Chester County had a meeting with the sheriff of York County in regard to the possibility of the two counties having a conflict over the matter of the sale of liquor. The sheriff of York County informed the sheriff of Chester County that his county was resolved to do its part in this matter, and that if the sheriff of Chester County would agree to do the same, he would be willing to have the two counties come to an agreement.

Living Expenses

Most of the expenses of the county have been paid to date. The county has been in a state of depression for some time, and the sheriff is not sure that the county will be able to pay the expenses of the county. However, he is hopeful that the county will be able to do so.

A Tame Wolf Bunny.

Two questions were by a Montgomery man in a letter to the "Montgomery Advertiser." Well, why not? They can't be answered by a roll of the dice. One question was: "What will it be worth to you to come down to Montgomery and see the solutions of the other day's problems?" The second question was: "If you have a tame wolf bunny, will you come down to Montgomery and see the solutions of the other day's problems?"

Alcohol and Liquor.

In Georgia, in the past few years, there has been a movement to prohibit the sale of alcohol and liquor. This movement is gaining strength, and there is every indication that it will soon be successful. The prohibitionists believe that the sale of alcohol and liquor is a menace to the health and welfare of the community, and they are determined to do all in their power to prohibit its sale.

EVER WATCHFUL.

A Little Care Will Save Many Multitudes Future Trouble.

"Do not think too much of this world's ease," said the man. "They have not enough to eat or drink, but they are not content with that, and when they have not enough to eat or drink, they want more. Thus they continue to suffer..."

CONSIDER!

Did you ever think of the advantages offered by building and loan associations for savings and home-building? Hundreds of people in the town and country are now owning their homes through regular payments, and are regularly putting up their savings. You should be one of them.

Our annual opening takes place on Tuesday, the 20th of February. Three days after this, Mr. W. C. Crowder, the President of the Association, will be at the county seat, and will be glad to have any one call on him.
