THE COUNTY BOND ISSUE

An Association for the Women's Rights in Chester County from The Chester Semi-Weekly News

On Tuesday March 27th, 1917 the bond committee of the Chester County Farmers' Land and Improvement Association called upon the Farmers and Landowners of the County to form a bond issue to be voted upon at the March 31st meeting. The purpose of the bond is to finance the purchase of land for farms and to establish public classrooms, to be operated by the Association.

THE ROAD CONSTRUCTION

The following brief statement was submitted for publication by the Chester County Road Commission:

The road from New Oxford to York will be constructed under the proposed bond issue.

The work will be done on the principle of maintaining the present condition of the road as far as possible and at the same time improving it. The road will be widened to accommodate 12 or 15 feet of wheels, with a shoulder of 4 to 5 feet on either side. The grading will be done to the best possible advantage and the road will be kept in a good condition. The work will be completed in the shortest possible time.

AMERICANS Sail

A grand boat race will take place on Lake Champlain on Saturday, August 1st. The race will start at 10 a.m. and will continue until 3 p.m. The prizes will be awarded to the winner of each heat.

WHITE GOODS SALE
AND SPRING OPENING

We will have our Annual White Goods Sale and Spring Opening next week, Commencing Tuesday, March 6th, and Continuing Through Thursday, March 8th.

We will have on display a beautiful line of White Goods and Underwear. All of these goods were bought before the advance in price. We would be unable to buy them today at the price they will be marked during this sale. It will pay you to supply your Spring wants.

SPECIAL SALE
Muslin-Underwear

Our line of Underwear, we think, surpasses all our previous efforts, and you will agree with us that it is the prettiest line of Muslin Underwear that you have seen, and being bought before the advance in materials, we can sell you the ready made garments as cheap or cheaper than you can buy the material.

We will not take up space to enumerate prices and it would take up too much of your time to read them. All we ask is that you come and see as is our usual custom, we have gotten together a lot of SPECIAL BARGAINS for this sale. We will enumerate only a few of them. There will be plenty more besides these.

Remember the Dates—Tuesday, Wednesday and Thursday of next week. A Cordial Invitation to All.

JOSEPH WYLIE AND COMPANY
You Should Study Preparedness for Yourself Just the Same as This Store and This Government Prepare for Future Emergencies.

Many articles listed here are cheaper than the present wholesale price. Some goods have been reduced 50 per cent more than our present price. This is a money-saving sale. We have marked our prices at the bottom as we must have them out. We have already received several big shipments of Spring and Summer goods which we are now offering at reduced prices. We have enumerated only a few of the many articles we have to close out.

THEY ARE HERE

Our veteran buyer, Mr. John Frazer, arrived Wednesday with a car load of the very best Mules ever seen in this section of the country.

If you went to the market yourself and carried a buyer of years of experience to assist you in making a selection of Mules especially suited for your farm, you couldn’t be suited any better than we can suit you with this car of mules.

We have handled mules for a great number of years and know just the kind of mule this section needs and wants, and we have that kind. Big, heavy-built mules, averaging 1200 pounds, free from blemishes, well broke and ready for work. You must see them to appreciate their real worth.

If you think that you are well fixed for the coming season, call at our stables and look over the lot we now have. You will change your mind and see your need of real mules.

Better call early. Mules like these will not stay at our stables very long at the prices we will ask for them.
