Rubbing Eases Pain
Rubbing sends the liniment tingling through the flesh and quickly relieves pain. Demand a liniment that you can rub with.

The best rubbing liniment is good for the ailments of horses, mules, cattle, etc. Good for your own aches, pains, rheumatism, sprains, cuts, burns, etc.

$0.25c, 50c, $1.00. At all dealers.

Our veteran buyer, Mr. John Frazier, arrived Wednesday with a car load of the very best mules ever seen in this section of the country.

If you went to the market yourself and carried a buyer of years of experience to assist you in making a selection of mules especially suited for your farm, you couldn’t be suited any better than we can suit you with this car of mules.

We have handled mules for a great number of years and know just the kind of mule this section needs and wants, and we have that kind. Big, heavy-built mules, averaging 1200 pounds, free from blemishes, well broke and ready for work.

If you think that you are well fixed for the coming season, call at our stables and look over the lot we now have. You will change your mind and see your need of real mules.

Better call early. Mules like these will not stay at our stables very long at the prices we will ask for them.

There Is No Other Six Like This
For Anything Like This Price

This Chandler offers intrinsic value greater than other cars for which you are asked to pay much more. Greater value in materials, design, equipment, and, above all else, in the dependable and enduring service of its mechanical parts. You may say it is easy to make such a claim for the Chandler. It is. And IT IS EASY TO PROVE SUCH A CLAIM FOR THE CHANDLER.

Year-old Chandlers command as high or higher price in the used car market than year-old cars of other makes selling, when new, for two or three hundred dollars more.

Could any further evidence be added to prove Chandler leadership in value? It wouldn’t seem so, but let’s make thorough inquiry.

What other make of car, at anything like the Chandler price, offers you a motor which has been developed, refined and perfected throughout four years of considerable manufacture and not subjected to radical changes or experimental devices? None.

What other make of car, at anything like the price, offers you all those features characteristic of the highest priced, high-grade cars—Booch, high tension magneto, solid cast aluminum motor base, extending from frame to frame; big silent chucks instead of noisy gears for driving the motor shaft; full floating and silent spiral bevel gear rear axle and light running peculiar ball bearings in transmission, differential and rear wheels? None.

What other make of car at anything like the Chandler price offers you more beautiful and comfortable bodies than the Chandler? None.

Chandler policy has always kept the Chandler price low. Relatively it is lower today, when so many prices have been inflated, than ever before.

Here is a fact, and to you they mean a Better Car for Less Money
