About twenty times an hour

all the blood in your body passes through and is filtered by your kidneys. Think what this means. If the kidney are not strong and healthy they do not extract all the poisonous matter from the blood and the result is sickness and misery that will remain until these organs are once more throughly cleansed.

These symptoms will tell you when your kidneys need attention and assistance. If you have Backache, Tired Feeling, Dizziness, Headache, Apoptyes, Pain in bones, Joints, or in the Badder, Sleeplessness, Colds, Urine of an unnatural colour. Scalding or Scalding, constipation, frequent urination, and you can't get a better remedy than

Vauhn's
Lithontripic

This is a purely vegetable preparation and will effectually care Dregs and Gravel. It acts directly on the Kidneys, also is useful in any healthy condition and eradication all disease.

Mr. Right is Ugliness.

One of the things most people like about a woman is her appearance. They look for softness, grace and beauty in her hair, her skin, her eyes and face. The right kind of hair will never be out of fashion. But isn't it odd that the world is so eager to change our own? It's always a matter of choice whether to grow or cut it short, straight or curly, wearing a hat or a veil. In fact, changing your look is something you can do any time you feel like it.
