Vol. VI. No. 44

CHESTER, S.C., THURSDAY, MARCH 1, 1896.

FARMER'S PAPER

We have attempted to offer some with The Lantern, for a limited time, the Farm and Farmer, a good home, farm, and country paper, which have a month, at a cost of 1, but will be, however, allowed to those who may apply for it. The purpose is to give the best advantages for the use of the country, and to the best advantage of those who may apply. The space will be, no doubt, the best advantage that we can offer, but we can also say that the time to take advantage of it is now. We ask all those who have any friends in the country to get it, for the time and cost will be further reduced.

OTHER COMBINATIONS

A great variety of clauses and reading about different factors as we can give in The Lantern. Other subscribers would like to have a good home magazine, like the one we recommend. We have arranged to accommodate all these FACTORS: they pay in advance for The Lantern for a year, and we will send the Farm and Farmer free with The Lantern to those only who apply.
