WASHINGTON, Thursday, March 15, 1904.

The Vacancy in the Second District.

No slap has yet been taken for the election of a successor to the seat of the late Congressman George W. Croft. It is not yet decided what will be the course taken by the State Democratic executive committee. Should they decide to have a primary now the governor will order the general election six weeks from the date of the proclamation. It has been stated that this would be a needless expense. Congressman Croft's term would have expired next March and the regular primary campaign will begin in June. The State Democratic committee meets here April 5 to arrange for the state campaign, as has been published, but may not take up the matter of the vacancy in the Second district.

Several possible candidates have been mentioned, some of whom have announced their candidacy, and others of whom are mere possibilities. Among those mentioned are: Mr. L. J. Williams, chairman of the board of directors; former Governor M. S. McSweeney; Mr. H. H. Crum, former state liquor commissioner; W. J. Talbert, who represented this district for years in Congress; D. S. Henderson, who was state senator from Aiken for a number of years and a candidate for the United States Senate two years ago; S. G. Mayfield, state senator from Bamberg, and Robert Aldrich, state senator from Barnwell.

BAASHP: WE ARE NOT ANGELS

We are not angels, if we were we would be out of business. But whatever you buy of us must be as we represent it to you or you get your money back. In all the years we have been selling goods we have not had one person to say they were cheated or misrepresented our goods.

WE NEVER MAKE A STATEMENT WE CAN'T BACK UP and we want to make one right now.

We Can Save You One-Fourth on Your Furniture Purchases.

Come to see us. Get our prices and let us show you how we get goods at such a big discount below our competitors.

EXAMPLE: Man came in our store the other day, said he wanted some furniture, picked out a lot, bill was forty dollars. Man was surprised and said: "Why, that bill was a duplicate of a list I had picked out at a Furniture Store down street only your goods are much newer and they wanted seventy odd dollars." He had made twenty dollars in just a few minutes. We have his name if you want to know. Also that of lots of others who have had similar experiences. Moral is shown in our Illustration.
