Everything New

Miss Annie Leckle returned Wednesday from a visit to relatives in Atlanta.

Mrs. Jennie Whiteside and her little son, of York county, came down yesterday evening to visit her daughter, Mrs. Blanche Poplin.

Enoch Butter, who has been cooking for the Oates Construction company in Kentucky where they are double-tracking a railroad, came home two or three days ago on a visit. He says all kinds of business, including the demand for labor and its remuneration, has been much more seriously affected by the stringency there than here. He also says Breathitt county is not the only part of Kentucky in which they sometimes settle disputes with guns.

Mr. W. D. Sewell of Danville is home today.

Aiken, March 11.—One of the saddest deaths that has occurred in Aiken county was that of Melvin Ball, 20 years old, which occurred on Monday of pneumonia. Mr. Bell had been ill only a few days. He was the son of Mr. J. P. Bell, of Windsor, in this county.

Hq was the fourth in that family that has died in the past four weeks. On March 12, Marney Bell, his brother, died of pneumonia; a few days later Mrs. J. P. Bell, his mother, died of the same disease; on Monday of last week the third brother and the mother of the same family to die of pneumonia within four weeks. None of them were sick for more than five days. A few months ago Frank Bell's wife died.

The matter of a cash settlement upon the plaintiff has not been taken up, as Mr. Peabody said, Winnsboro Military Company.

Winnsboro, March 12.—The military company held a meeting in the court house last night and about 12 new members were signed. This makes a total enrollment of about 65 men. Measurements were taken for uniforms and Mr. J. A. Smart was elected company clerk. Mrs. K. E. McPhater and J. L. Hall were appointed a committee to select a name for the new company. (The company will meet again Friday evening, at which time Gen. J. C. Boyd will be present, to select a name for the new company. He is the third brother and the mother of the same family to die of pneumonia within four weeks. None of them were sick for more than five days. A few months ago Frank Bell's wife died.
