**EXCHANGE OF IDEAS**

Do you want war with Spain ten dollars worth? Well, it will cost you more than ten dollars if we are not able to get that, for nearly 60 per cent of the population of Spain is in the army, and they will not give up unless we make it worth their while. 

**RURAL DISTRICT.**

Interesting Items about Persons and Things.

As our friend "A Epiphanist" has left before we have been able to get all the news from the rural district, we can only mention that, Henry has left for the farm, and that the barn is now ready for the hay. 

Mr. Watson, who has been in Texas for a few days, has returned. He says the country is in a state of civil war, and that the government is notable for its inefficiency. He also mentioned that the people are suffering greatly from the high prices of provisions and the scarcity of labor. 

**NEWSPAPER REVIEWS.**

Unusually Kind for the Republican.

The Greenwood Times, issued a new issue this week, with a special feature on the Democratic primary. It states that the Democratic party is not only the party of the people, but it is also the party of law and order. The Republican party, on the other hand, is described as a party of anarchy and chaos. 

**NEW DEPARTMENT.**

Maintenance of Apparatus. 

The new department of maintenance is now in operation. It is under the charge of Mr. Smith, who has been a mechanic for many years. He is well equipped with the necessary tools and has a large supply of spare parts. The department is open to the public, and it is expected that it will be of great benefit to the town. 

**ANNOUNCEMENTS.**

Superintendent of the County School. 

The Superintendent of the County School has issued a new circular to the teachers, advising them to be strict in their duties. He also emphasized the importance of discipline and the necessity of maintaining a high standard of instruction. 

**NEW INFIRMARY.**

The new infirmary has been opened, and it is well equipped with the necessary apparatus. The medical staff is composed of skilled and experienced practitioners. The patients are well cared for, and the hospital is greatly appreciated by the public.

**NOTE.**

A letter has been issued from the war department establishing a new department of the same name. It is under the charge of Mr. Davis, who has been a military engineer for many years. The department is to be located in the city of Atlanta, Ga. It will be in charge of Mr. Grant, who has been a military engineer for many years. 

**MEETING WITH APPROVAL.**

The annual subscription-giving campaign, which came to a close last Wednesday afternoon, has been gratifying to the business management. The number of names of subscribers and the amount paid for them are greater than for several years past, and we are pleased to realize that the hard work and anxiety to which we have been subjected is meeting with substantial approval.

We shall continue our efforts to give the best service to our subscribers in the way of quality and prices.

Last Sunday morning a telegram arrived for me from my brother, Mr. T. M. Grant, at Petersburg, South Carolina, informing me that he had received a telegram from my friend Mr. T. R. Grant, in Petersburg, that there was a horse that he wanted me to look at. I went to the barn and found a horse that was very good and I bought it for $5.00.
