Photographs For Farmers.

It is better to make a second application of commercial fertilizer, if neces-
sary, than to waste the previously applied material. If you have not yet ap-
plicated your commercial fertilizer, it is best to familiarize yourself with the
amount of material you shall apply. It is a good practice to test the ground
before you spread the fertilizer. It is best to spread the fertilizer in the fall,
when the weather is dry. It is also best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,
when the weather is warm. It is best to spread the fertilizer in the spring,

Our New Motto for 1904:

The Best Goods

Least Money

!!'Our boots go out in grateful thanks to the people of this com-

munity for the kind, loyal support they have given us in our

earnest endeavor to keep a first-class, fancy and heavy Grocery Store.

We are proud of the fact that we are still selling the same kind of

Boots and Shoes as ever.

We will always have something Cheaper and Everything as Cheap.

For the present and until further notice we will sell the

First Whole Head Ripe 14 for $1.00.

Semi-First Standard 95c Tuesdays at 11 am.

A splendid 5 lb Standard Dress Fleecy at 50c.

For one week only, a splendid Loose Roasted Coffee, 9 lbs.

For 18 cents.

We are still selling the same kind of Coffee as ever.

We Have Everything Kept in a First Class

Grocery Store. Heavy and Fancy.

Just received one ear Car Raisin, one ear Flour, one ear Corn Seed Meal, one ear Butter, one ear Hard Taffy. 2 cent Bottles.

TO THE FARMER: If you haven't seen Alexander Maloney, Tobacco, Meal, Core, Oats, Barley and Beans you don't know him.  Remember our motto, "Best Goods, and a Cheaper Price." If I haven't mentioned it, it's because I haven't the time to do so. Call up over the phone and get the price or you may not be able to sell everything better than we do.

J. R. Alexander

THE CUTO PRICE GROCER.

MULES

TWO CAR LOADS OF FINE MULES JUST FROM R. H. BURGER, MYRTLE BEACH, S. C.

MULES ARE HIGH IN THE WHOLESALE MARKETS, BUT WE ARE GOING TO FUT THIS AS IT IS THE LOWEST PRICE THAT WILL

MAKE THEM GO

We also bought a few good horses and we have a good stock.

An advertisement about Doan's Backache:

"Mrs. W. A. Milling, wife of W. A. Milling, of 123 Main Street, was so much relieved of her backache by using Doan's Backache Remedy in a few doses that she is now able to stand up straight. In fact, she can now do her own work and give satisfactory service in her business."
