WASHINGTON LETTER.

The Legislature and Administration.

The Governor-General of the Hawaiian Islands has received a letter from the United States Treasury Department, requesting the appointment of a receiver for the Hawaiian Islands, and the appointment of a receiver for the Hawaiian Islands is expected to be made shortly.

The receiver will have the power to collect all taxes due the Hawaiian Islands, and to enforce all laws relating to the collection of taxes.

The receiver will also have the power to levy a tax on the property of all persons and corporations doing business in the Hawaiian Islands, and to enforce all laws relating to the collection of taxes on such property.

The receiver will also have the power to require all persons and corporations doing business in the Hawaiian Islands to file a return of their taxable property, and to enforce all laws relating to the return of taxable property.

The receiver will also have the power to require all persons and corporations doing business in the Hawaiian Islands to pay all taxes due the Hawaiian Islands, and to enforce all laws relating to the payment of taxes.

The receiver will also have the power to require all persons and corporations doing business in the Hawaiian Islands to file a return of their taxable property, and to enforce all laws relating to the return of taxable property.

JEWEL
A Broad Statement That Is As True As It Is Broad
The Jewel Ranges Are the Best Ranges on the Market.

There are many very beautiful and substantially and mechanically built homes which are built of brick and mortar using a better kind of mortar. These homes are very expensive to build and maintain. The Jewel Range has the advantage of being able to build a home for less money than the average brick home.
