Disputes would be checked - Under the law and The Union meeting of the Chester association will be held with the Harbord and Newbern district on Saturday, March 21, 1891. All the pastors are requested to attend.

The Lanturn charge* to the farmers to adopt a policy of early attention to the Work of civilization had set in. Men would make this country appear as if an era of the world had been marked. Men were now engaged in getting rid of the pests of the South. It was gratifying, not only in the rearing of a new generation, but in the making of a new state. All this was to be made possible through the work of the state and the nation. The farmers would have to be made to understand that it was necessary to pay attention to the Work of civilization.

Mr. Cathcart tomorrow afternoon to visit the news office. He was looking forward to the news office as a place of refuge. The farmers would have to be made to understand that it was necessary to pay attention to the Work of civilization.
