STRIKE IS CALLED OFF

Railway Managers Await President's Decision That They Will Proceed with Strike When Designed to Prevent Breach of Contract

New York, March 19—Shortly after the President, who yesterday received a communication from the General Manager of the Great Northern Railway, assuring him of the determination of the company to proceed with the strike, had appointed a conference with the representatives of the railway companies and the Brotherhoods to meet in Washington to adjourn the strike, the conference was called off by President Roosevelt.

The conference reassembled on the condition that the managers would not proceed with the strike unless the President should certify to the correctness of the conclusions reached by the management before the strike was called. The written assurance of the General Manager of the Great Northern Railway, that the company was determined to carry out the strike, the President, who received the communication from the General Manager, was advised that the strike would be called off.

ITALIAN PAPYRUS SEEKS A DECISION

It is probably a mistake to figure the Papirus of Rome as a modern Mohammed in the making, and one who is making us believe his manner of conversion was as simple as his manner of procedure.

The greatest danger is whether conversion was as simple as his manner of procedure.

The greatest danger is whether conversion was a method of procedure at all, and whether the way to Rome is made by the pantheon of Rome.

VFORE THE LITTLE BELGANS
THEY YEARN FOR PEACE
The little Belgians have been
sentimental about the
peace prospects for
years. The tiny nation
has been invaded by
France, Britain, and
the United States
and is still fighting for
independence. The
Little Belgians live
in a state of constant
anxiety, hoping for a
peace agreement that
will bring them
freedom and security.

VITAL STATE OF WAR EXIST
When inaugurating his
program for peace, the
Prime Minister of
Belgium, Mr. Leon blurred
his eyes to the
possibilities of
peace. He
acknowledged
that the
situation was
elementary,
but he
remained
optimistic
about
a
solution.

UNPREPAREDNESS
HAVERSACK GROUP
Surprised to find Uncle Sam un
armed, says Mayor.

A NEW YORKER, March 14—Uncle
Sam's army is unprepared for a
war, according to a
survey by the Haversack
Group. The survey,
conducted by
a group of
businessmen,
found that
the nation
is not
adequately
prepared
for a
war,
highlighting
the need
for
improved
preparedness.

TUESDAY, MARCH 29
The nation is
reeling from
the
shocking
news
that
Uncle Sam
is
not
preparing
for
a
war.
