QUALIFICATIONS OF A MINISTER.

Qualifications of a minister are of the greatest importance to the work of salvation. It is the responsibility of the Christian church to provide ministers who will lead the people to Christ and help them to grow in their love for Him. The qualifications of a minister should include:

1. A deep love for Christ and a commitment to serve Him.
2. A thorough knowledge of the Bible and its teachings.
3. The ability to communicate effectively with people of all ages and backgrounds.
4. A willingness to face difficulties and hardships in order to save souls.
5. A commitment to sanctify every thought and deed.

To obtain the qualifications of a minister, one should:

1. Have a deep love for Christ and His church.
2. Study the Bible and develop a strong foundation in its teachings.
3. Practice effective communication skills.
4. Demonstrate a willingness to face challenges and overcome obstacles.
5. Commit to living a life that is pleasing to God.

The above qualifications are essential for a minister to be effective in their work. A minister should be an example of Christ to those they serve, leading them to a deeper love for Him and a more effective service to others.

Farmers' Bone
"Imitation is the
Sincere Flattery"

The unprecedented popularity of Hewett's
Farmers' Bone fertilizer has induced some of
our competitors to advertise Fish Guano, claiming
to be the same. A man of distrust should not buy Fish
Guano under any circumstances. We have never
made Fish Guano, and, in order to prevent being
imposed upon, buyers should be sure that our trade-mark
is on every bag.
