FRIEUT, MARCH 31.

The disappearance of the last visitor to the jail was not the only incident of interest in the past week.

An interesting proposition is the idea of a new and larger jail house that was discussed by the Committee on Public Works.

The present jail is in a state of dilapidation, and it is felt that a new and larger facility is necessary to accommodate the increasing population.

The Committee recommended that the new jail be built as soon as possible, and that the design be drawn up by a reputable architect.

The property was appraised at a cost of $50,000, and it is hoped that funds can be raised to cover the expenses of construction.

The newspaper is in favor of the new jail and encourages the community to support the proposal.

"Quality First"
CHANDLER SIX  $1395

Choose the Fact-Six for Your Car

The Fact-Six is the car with "The Marvelous Motor," developed and refined to a point approximating perfection through four years of conscientious manufacturing effort.

The Fact-Six is the car which checks in so many essential details of design and construction with the highest priced high-grade cars.

The Fact-Six is the car with the big cast aluminum crank case extending from frame to frame. It is the car with Bosch High Tension Magneto ignition instead of the cheaper and less efficient battery ignition.

It is the car with silent chain drive for motor shafts.

It is the car with miniature light-running annular ball bearings in transmission, differential and rear wheels.

It is the car with wheels of other high-grade features not found in other medium priced sixes.

The Fact-Six Is The Chandler Six, Greatest of All Light Sixes

There are five attractive Chandler types of body, all mounted on the same great Chandler chassis. Most popular of these, of course, are the big seven-passenger touring and the graceful four-passenger roadster. No other roadster of any design or any type has ever attained a degree of popularity equal to the popularity of this Chandler model.

7-Passenger Touring Car $1395
4-Passenger Roadster 1295
7-Passenger Convertible Sedan 2095
4-Passenger Convertible Coupe 1995
Luxurious Limousine 2695

The Chandler Motor Car Company is this year building 25,000 Chandler Sixes to supply Chandler demand. In the great daily production at the Chandler factory, there were nearly 3,000 unfilled immediate shipping orders on March 19th.
