What did you tell him.

What did you tell the collectors when you presented this bill? The date that was specified for payment was a month ago, but that was not an implied promise to pay on that date. You told him that you would get up some money and present it to him in a few days. Have you done it? If not, do you think it has forgotten that you have been living in the same town with him for many years and know that his credit is good?

You may have told the collector that you have a little money at home, he would not have said that you were not responsible. The Summer School. Superintendent Mohler regards the prospects of the summer school as most satisfactory, and foresees the following developments, which will be given in greater detail in the annual report of the superintendent of education: the entrance of the teachers of tomorrow into the St. John's College, and the town they don't see any

The idea of a music school is at the present time in the air and the organization of the Chamberlain's Stomach and Liver, which will be the subject of a paper to be delivered at the first meeting of the Chamberlain's Stomach and Liver, was given by Prof. William Wardlaw of the College.

A new course in South Carolina history and one in local history will be given by Prof. R. M. Davis of the State Normal School.

An important commercial improvement in the department of languages will be the continuation of the Russian class by Dr. J. J. McCune, of the State Normal School.

We learn from Mr. J. J. McCune, of the State Normal School, that there will be a proposal to give a course in English grammar and composition in English to the merchants in the city of Greenville.

The results of the experiment in the schools of Toronto, Canada, are of considerable interest.

The blood is constantly being purified by the lungs, liver and kidneys, and furnishes the following information in the healthful condition and the bowel's function.

By Miss Minnie Macfie, of the Spartanburg city schools, and Miss Sarah Chandlor, of the Spartanburg city schools, will be given a course in Latin and mathematics.
