Gaston, N. C., has a warm municipal campaign. The supporters of the old candidates are champions of a change being very much needed in the city's government. The campaign has already received a considerable amount of attention, but it is said to have worn the ribbons off the ribbon-bearers, another name for the women who love to wear them. It is said that it is going to be a hard fight, but that the supporters of the old candidates will make a good showing. The campaign is expected to be a close one.
