THE LANTERN

A Word to Save

But I am glad enough, and speak the best of him; and yet I do not say, ‘I do not wish to speak of him.’ I wish to speak of him, and I wish to speak of him well. I wish to speak of him in such a way that all who hear me will be moved to think of him as the best man in the world. And yet I do not say, ‘I do not wish to speak of him.’ I wish to speak of him, and I wish to speak of him well.

Chester's Old Landmarks

Chester's old landmarks are few, but they are dear to her heart. The old church, the old school, the old store, the old mill, are all dear to her heart. And yet I do not say, ‘I do not wish to speak of them.’ I wish to speak of them, and I wish to speak of them well. I wish to speak of them in such a way that all who hear me will be moved to think of them as the best landmarks in the world. And yet I do not say, ‘I do not wish to speak of them.’ I wish to speak of them, and I wish to speak of them well.

Chester's New Landmarks

Chester's new landmarks are many, and they are dear to her heart. The new church, the new school, the new store, the new mill, are all dear to her heart. And yet I do not say, ‘I do not wish to speak of them.’ I wish to speak of them, and I wish to speak of them well. And yet I do not say, ‘I do not wish to speak of them.’ I wish to speak of them, and I wish to speak of them well.

Chester's Future Landmarks

Chester's future landmarks are sure to be many, and they are sure to be dear to her heart. The future church, the future school, the future store, the future mill, are all sure to be dear to her heart. And yet I do not say, ‘I do not wish to speak of them.’ I wish to speak of them, and I wish to speak of them well. These Powders are so nicely prepared, they are so pure, and are so efficacious it is almost unnecessary to mention that they are prepared by an expert chemist, and the quality best. They are wrapped in doses. DR. FENNER'S Kidney Backache Cure

This is the cure for kidney troubles. The disease is so serious that often people have various symptoms, without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the organs. This accounts for the many different diseases. You begin to feel better at once when taking the medicine.

FOLEY'S KIDNEY CURE

As it stimulates the heart, increases the circulation and vivifies the whole system. It strengthens the primary organs and gives you new life and vigor.
