The Fashionable in Men's Wear for Spring

High Art Clothing

is invested with a grace and individuality seldom seen in ready-to-wear garments

as it is a current fashion to equal the costumer today's expensive production, while it has to wear the standard looks and finishes to fit its size and shape of hat it is made to wear.

Our Spring and Summer Stock of High Art Clothing, includes a breadth of patterns and styles, so that we can meet every requirement and every taste.

If a High Art suit is waisted at a moderate price—we have it

If the desire inclines toward a better quality in High Art suit—we have it

If the superlative in High Art fashion and elegance is sought—we have it

High Art Clothing, best service and least paid for, is the truth that realizes this manliness to complement men in all styles of life.
