This is my first Reduction sale and when I say your dollar does double its duty you can rest assured it's true. The best and greatest value on earth stands you in the face. The only question is can you, dare you, in justice to yourself, overlook a chance like this to save two-thirds the price you will be obliged to pay the regular dealer in high grade merchandise of the world's standard qualities for men, women and children. Use good common sense with which nature has endowed you. Come and see with your own eyes and be convinced. Never again will you have such a golden opportunity to dress in such perfection at a trifling cost. The opening day will be a gala day. Bring the children as they are to come 100 miles to visit this sale. We shall put forth such offerings that no matter what the weather conditions may be, you must and will be here and get your share. When you turn into contact with the people ever held in Chester County, and also the very largest sale, it will convey to you some ideas of the marvelous bargains that we offer to the public. The prices we quote below are only a few of the many thousands of bargains, but will give an idea of the many values that await your coming. Remember, no postponement. This Gigantic sale will positively close in ten days. All goods herein priced can be brought back at any time during this sale and exchanged, or our money refunded for the asking.

Assessment of Property.

It is usually considered that the owner of a home is the best judge of the value of his property. The owner of a home is usually the best judge of the value of his property. However, in some cases, the appraiser may have a different opinion. In those cases, the owner of the property may need to appeal to a higher authority, such as a court or a government agency.

That Serge Suit of Ours at $15 is well worth looking at.

Here is a suit for the money. Built "Summer-way" with cucumber coolness, and with all the shapeliness of a heavy-weight garment. The coats are large and roomy, with broad graceful shoulders and light-fitting collars. The trousers are liberally cut, slightly pegged, and made with or without turn-ups. There are a lot of little touches that give nobbiness and individuality to the whole garment. The fabric, fashion and finish is better than the price deserves—$15.

RICHES TAKE WINGS AND FLY AWAY

In an old saying that people like to quote as a sort of apology for injudicious business management. Here we don't pretend that you will get rich or stay rich simply as a result of buying at our store, but we do claim that anyone who buys here and transacts all his business to equally good advantage is more than likely to see "riches" flying toward him than away from him. We will convince you that we are right if you drop in and inspect the "quality" and the price on Coffins, Caskets and Burial Robes will save you money.
