THE HOTEL SITUATION.

Announcements - March 5th.

We have been much interested in the progress of the new hotel. The firm of W. O. McKeown & Sons, of Camp Hill, N.C., has been engaged on the work for several weeks, and we are now in hopes that the hotel will be completed in time for the opening of the hotel season. The building is being erected on a lot of land which was purchased by Mr. McKeown several years ago, and which he has been holding in reserve for the purpose of erecting a hotel. The hotel will be of the very best class, and will be equipped with all the modern conveniences. The firm of W. O. McKeown & Sons is well known for the work they have done in this line, and we have every confidence in their ability to do the work well. The hotel will be completed in time for the opening of the hotel season, and we are now in hopes that it will be open for business in the near future.

For the benefit of the public, we would like to say that the hotel will be open for business in the near future. We are now in hopes that it will be open for business in the near future.

For a few days, Mr. McKeown will be in the town, and we are now in hopes that he will be able to open the hotel in time for the opening of the hotel season. We are now in hopes that he will be able to open the hotel in time for the opening of the hotel season.
