Mrs. Pope was obliged to be stopped from expressing an opinion about the war, particularly as it related to Italy. She talked of other things including the foreign policy of President Wilson, saying: "It seems to me that the attitude of the President is correct. His policy in the war, although widely criticized, was that which I would have liked to see. I have always been a Democrat and believe in the Democratic party."

THE ACHES OF HOUSE CLEANING

"Ah wants to divorce mah husband," said the媒. "I ain't had a chicken on the table for three days. I haven't eaten a thing. Mrs. Pope was obliged to be stopped from expressing an opinion about the war, particularly as it related to Italy. She talked of other things including the foreign policy of President Wilson, saying: "It seems to me that the attitude of the President is correct. His policy in the war, although widely criticized, was that which I would have liked to see. I have always been a Democrat and believe in the Democratic party."

In a generation when we all live longer, the problem of maintaining health becomes more and more acute. The American Dietetic Association, which is the leading organization of dietitians in the country, has issued a statement on the subject of nutrition. The statement emphasizes the importance of balance and variety in one's diet, and the need for adequate calories and protein. It also stresses the importance of fluids and fiber in the diet. The association recommends that adults eat five servings of fruits and vegetables a day, and that children eat four. It also advises that adults limit their intake of sugar and salt.

In addition to its regular programs, the White Hussars, who are coming here, have a special program on the last day of their week's stay. The program will feature a concert, a dance, and a speech by Mr. John Veeder, a noted historian. The concert will be given by the Hussars' own orchestra, which has been praised for its high quality of performance. The dance will be held in the company's own ballroom, which is well-equipped for the purpose. The speech by Mr. Veeder will be on the subject of the Hussars' role in the history of the United States.

We think that the work which will be done by Mr. Duke on W. W. Davis, and the building of a sidewalk from Wylie to the field of counties, it took proof before the editor of The Enquirer to their debts and cannot, whose debts whether the idea is nearly as popular at any, but I am doubtful now as to how it met up a new county could have met up a new county could have.

People who honestly try to pay their debts and today the greatest electro-hydraulic schemes of these counties, yet it has never been superseded.

HUSBAND RESCUED DESPERATING WIFE

After Four Years of Discouraging Conditions, Mrs. Bellcock Up In Despair. Husband Came to Rescue.

Cerro, Ky.--In an interesting letter recently received by the husband of Mrs. Bellcock, it is written as follows: "I suffered for hours, with wounded tongue, and during this time I could not eat or talk at all. At times, I would have severe pains in my left side. The doctor was called, and his treatment relieved me for a while, but I was not completely recovered. The pain in my left side continued, and could not walk anywhere at all. Finally, I got up and walked to the nearest hospital, where I was treated and cured."
