A BAG OF GOLD AND SILVER AND A NICE RESIDENCE LOT WILL BE GIVEN AWAY AT THE GRAND AUCTION

of 60 of the most desirable residence
lots to be had in the thriving
town of CHESTER, S. C., on
FRIDAY, MAY 22, '08
1:30 P.M. DON'T FAIL TO ATTEND

This property has been consigned to us by Messrs. J. R. Alexander and A. B. N. Woods, of Chester, S. C., with instructions to sell every lot at a public sale, for the high dollar, and as sure as you live every lot will go, absolutely regardless of price and without reserve.

Follow the crowd and come out to this great gathering of business men and housekeepers, who desire a safe, conservative investment, and on their own easy terms.

The sale will be conducted by Penny Brothers, the twin auctioneers of the company, who speak at the same time and in the same tone of voice and sell you lots at the rate of one a minute, your price is theirs, let us make or lose. There is not a man who cannot look back some years and see what he would have worth today if he had only bought real estate in Chester. Ten years from today you will be saying that same old song if you do not grasp this grand opportunity to get a piece of your own town, at your own price, and on your own terms.

The sale will be located on one of the Main Streets of Chester, S. C., and is only a matter of some three blocks from the public square and business center of the town. It has grannietic sidewalks, large streets, etc., and many other natural advantages and improvements that will make it desirable alike to the housekeeper and investor.

Don't forget that the date is May 22nd, '08, the day Friday, the hour is 1:30 P. M., and the town is Chester, S. C., one of the best on the map, and don't fail to attend.

Ladies are cordially invited to this sale and their comfort will be looked after.

Save the Birds.

In the belief that the best preservation of our birds is the best preservation of our whole system, the Department of Natural History has established a fund to help the birds in their struggle against enemies. The following suggestions are made:

1. Do not shoot birds or prepare them for food.
2. Do not feed birds.
3. Do not put out eggs.
4. Do not burn the nests.
5. Do not build nests in large numbers.
6. Do not make noise during the nesting season.
7. Do not use the nests for decoration.
8. Do not use the nests for ornamentation.
9. Do not use the nests for any purpose.
10. Aid in disseminating knowledge of birds.
11. Do not use for ornamentation.
12. Aid in disseminating knowledge of birds.
13. Discourage egg collecting and needless slaughter of birds.
14. Discover and check their national and international occurrence.
15. Aid in the growth of public opinion.
16. Aid in the growth of public opinion.
17. Aid in the growth of public opinion.
18. Aid in the growth of public opinion.
19. Aid in the growth of public opinion.
20. Aid in the growth of public opinion.
