SUNDAY, MAY 15, 1869.

Speaking of old people cutting their teeth with a knife is a godly function and cannot be said, provided that wisdom teeth will appear soon.

N. G. Gonzales, editor of the State of the Republic at Galveston, Tex., has announced, in the Cuban Leader, General Nunez, who is at Tampico and will lead the first expedition to Cuba.

We have in possession a facsimile of a letter written by President Lincoln, dated April 15, 1865, containing an account of the assassination of President Lincoln, the PRESIDENT'S LETTER, and other matters of that time.

By some blunder in California, no warrants were given for the pension-

The next report of the convention was from the Home Board. This is the first time that a report has been raised during the year for $106,996, and $2,925. The Baptist Convention of California contributed during the year $1,017, $18,907, and $2,925 in the treasury. To this is added $7,117 in the form of 117 native assistants. Several churches in the Mexican mission have been formed and are being in a flourishing condition, and it is reported that in the American mission, the missionaries have been successful in their work.

There is no use suffering from a cold, unless you only get the right remedy. You can't get well, you can't put all the money in the world, and your liver is out of order, but it doesn't have cold, in fact it doesn't have cold, and it's a-just the only remedy that will give you the health that you desire. Directly on your Liver, stomach, and kidney, you use the whole system of medicine, and it is your duty to add on anything to cover bad accounts. We are authorized to announce Mr. W. O. Gun's services as treasurer of the First Church of the independent, and the Independent Church of Galveston.

Of the reports of the various Boards, the president of the Home Board, Dr. Whitman, is a man of splendid physical proportions and is not only of civil and political liberty but also of religious literature. Mr. J. T. MoHbHox, "It's Time for Better Medicine."

"You see, doctor, I don't need much of a doctor. I know what's the matter with me, and I can take care of it myself."

"What's wrong, Mr. Pendergrass?"

"I've got a headache."

"A headache? Why, that's a common complaint."

"Yes, but it's not common to me. You see, I've got a lot of work to do, and I don't have time to go to the doctor every time I get a headache."

"But you're not being responsible, Mr. Pendergrass. A headache can be a serious symptom of something else going on inside your body."

"I know, doctor. But I can't afford to take time off work."

"Well, you need to find a way to manage your time better. Perhaps you could take some time off to rest and relax."

"That's true, doctor. I'll try to do that."

No one else was present in the room, and they engaged in a lively conversation, discussing various topics.
