A South Carolina...
Tribute to Mrs. Crosby.

As a matter of fact, this lady was always so extremely kind and considerate to us all that we shall always remember her as one of the kindest and most loving people we ever knew. She was a born leader, and her influence for good was felt everywhere. Her death has come as a sudden shock, and it is difficult to realize that she is gone. But we are assured that she who was with them in this world is now in Heaven.

We commend the bereaved family to the care of the Lord, and pray that He may give them strength and comfort in their grief. We trust that the memory of Mrs. Crosby will be a source of great comfort to her loved ones, and that they may find solace in the thought of her death as a gain, and a step closer to the promised land.

The bereaved are requested to accept our sympathy and condolences in this sorrowful hour.

Miss Maggie Murr.

I have the honor to announce the passing of Mrs. Maggie Murr, who has been one of our most valued and esteemed citizens for many years. Mrs. Murr was a devoted wife, a loving mother, and a kind and generous neighbor. She was always ready to help others in need, and her kindness and generosity were well-known throughout the community.

We extend our heartfelt sympathy to the family of Mrs. Murr in this time of sorrow. We trust that they may find comfort in the knowledge that she has passed on to a better world, and that she will always be remembered with love and affection by those who knew her so well.

The family of Mrs. Murr are respectfully requested to accept our deep sympathy in this sad hour.

Miss Ida Todd.

I have the pleasure to announce the passing of Miss Ida Todd, who has been known to us as one of the most charming and attractive women in our community. Miss Todd was a devoted daughter, a loving sister, and a kind and considerate friend. She was always ready to help others in need, and her kindness and generosity were well-known throughout the community.

We extend our heartfelt sympathy to the family of Miss Todd in this time of sorrow. We trust that they may find comfort in the knowledge that she has passed on to a better world, and that she will always be remembered with love and affection by those who knew her so well.

The family of Miss Todd are respectfully requested to accept our deep sympathy in this sad hour.

THE CITY.

Our county convention was a solemn and impressive event. It was a day of mourning and reflection, as we gathered to pay our respects to our beloved leader. The proceedings were conducted with dignity and reverence, and the spirit of greatness and excellence that pervades our community was evident in every word and action.

We extend our heartfelt sympathy to the family of Mrs. Crosby in this time of sorrow. We trust that they may find comfort in the knowledge that she has passed on to a better world, and that she will always be remembered with love and affection by those who knew her so well.

The Motto on the Coin.

The motto on the coin is "In God We Trust." This motto is a reminder of our faith in a higher power, and a symbol of the moral and ethical principles that guide our society. It is a message of hope and inspiration, and a call to action for all who seek to live good lives.

We extend our heartfelt sympathy to the family of Mr. Barnette in this time of sorrow. We trust that they may find comfort in the knowledge that he has passed on to a better world, and that he will always be remembered with love and affection by those who knew him so well.
