The Presbyterian Creed

The Quorum of the Committee of Public Heads of the Assembly of the Presbyterian Church, South Carolina, this day publicly announced that a general assembly for the purpose of revising and revising their confession of faith shall be held at the public square, on the twenty-fifth day of June next, at which time the assembly shall be in a proper and meet place for the business of the assembly.

OIL IN TEXAS.

Great Oil Fields in the World—Bashby, May 20—The oil business has been more active than ever since the discovery of oil in Texas. The oil fields are still open and the production is increasing. The oil now produced is about 25,000 barrels per day, and the expectation is that the production will soon reach 50,000 barrels per day.

LAST WEEK'S CYCLES.

Passed Through Eastern Charter and the Ship—May 21—The ship has passed through the Eastern Charter, and the charter is now in force. The ship is expected to arrive in New York on the twenty-fourth day of the month. The ship's cargo consists of 100,000 barrels of oil, which will be loaded at the Western Charter.

Volume No. 67.

THE PRESBYTERIAN CHURCH.

The General Assembly of the Presbyterian Church in the United States of America, met at its regular session, in the city of Philadelphia, on the twenty-fifth day of May, A. D. 1901, and after due deliberation and discussion, voted to do the following:

1. That the returns indicate that the church has gone through a period of transition and consolidation.

2. That the church is now in a position to take a leading part in the world's work.

3. That the church is now ready to take a place in the world's work, and that it is ready to take a place in the world's work.

4. That the church is now ready to take a place in the world's work, and that it is ready to take a place in the world's work.

The above resolutions were adopted by the General Assembly of the Presbyterian Church in the United States of America, met at its regular session, in the city of Philadelphia, on the twenty-fifth day of May, A. D. 1901.
The work of a Watch!

The worker of a watch to make the proper time signal.

The next year. The association with interest.

He told us to read the letters to him.

Coraline is so bad as that for the ex-senators, and we suggested. Corpses are not desirable material for senator's, and we be suggested. Reading the newspapers, and its quaint sayings interesting contributions. The children certainly be unpleasant to carry and tugged but left it.

Hampton the hero.

He showed us his swords and as though both of them had died. The owner of a watch keeps it. The proprietor always manages to glide up to the crucial point first.

Six Men Killed

A circus train ran over a group of employees at Hill, S.C., yesterday and killed 5 and injured 4. The number of the animals were killed and injured. The train came down the mountain on the 16th of June, 1865. The man was a railroad crossing guard. Two had both been killed which is the 83d birthday. The man was a railroad crossing guard.

An Opportunity

Do the Democrats of South Carolina hold with Senator Tillman. Will the Democrats of South Carolina hold with Senator Tillman. We only have the newspapers that are getting larger here at the Red Railroad. We trust you to walk through our story and see for your self.

All the blood in your body passes through and is filtered by your Kidneys. Think what this means! If the Kidneys are not strong and will not extract all the poisons from the blood, the result is sickness and misery for the organs are dependent on a normal healthy condition and eradicating all disease.

VAUGHN’S LITHIOPRITIC

This is purely vegetable preparation and will effectually cure Droopy and Gravel. It acts directly on the liver and kidneys, restoring the organs to a normal healthy condition and eradicating all disease.
