To Be Frank

you have never eaten a true soda cracker until you have eaten

Ungeda Biscuit

The only soda cracker which is all good and always good, protected from strange hands by dust tight, moisture proof package.

San Francisco

Will rise again. Yes, the eyes, ears and stores will smile and the gates will open to the stranger, offering the very same story. An armistice will be signed under known and familiar conditions of old that pride, present, future and the memory of the world will respect and honor. This is not only possible, but has been desired, and is now being done.

Why We Haven’t Changed Our Advertisement

We have not had time, but in spite of the rush we must take time to thank our patrons who have been so kindly favored by us. We are looking out for those who are better than they deserve.

We are trying to keep a stock of Baked Dry Goods, White Clipped Oats and Water Ground Meal which we offer at all times for less than any number to be found in the town. We also stock the Best Patent Flour and still offer it at $2.35 per hundred. This is not only possible, but the demand is being increased. We also have a stock of Baked Dry Goods, White Clipped Oats and Water Ground Meal which we offer at all times for less than any number to be found in the town.

This is our proposition:

To sell anything in the Heavy Grocery Line for less than any Retail Dealer.

Our way of doing business is entirely different from the usual method of retailing. We have a stock of Baked Dry Goods, White Clipped Oats and Water Ground Meal which we offer at all times for less than any number to be found in the town.

We are headquarters for Tobacco, Molasses, Bacon and Lard.

Come and see us and we will make good. Yours for Business.
