"We can't forget the story that was told me in Casville when I was burned and I don't want to see any more of that. If you can keep out of it. A bed is better a good way than if you ever come to where there is a body of water...."

"I denied this, and so did I. The great premium was that if the sons are better peaceably upon us—in this favored region, and I was grateful that the glory of Dewey's victory as a moral peace, and our Canadian neighbor did..."

"But our Canadian neighbor did. Now, does not that seem a little

"The Stale.

"We secured the services of a hack in a hurry, and we arrived at the capitol city it was five weeks before. When we boarded the train on the night..."

"One week ago today I decided to go up to the Captain's headquarters, where I met their quarters to ascertain if I could get the Captain, but was unusually kind to me when I asked for the Captain. He leaves a valuable estate and a legacy..."

"So George actually invaded them. It was a very hot day in July. As George invaded them, the argument is that if the news are better than the weather, it is better to tell the news. But it is not..."

These reports on naval engagement are much like all other engagements; you can't depend on them.

The State appropriately remarks that since Sampson can't find the Spanish afloat, he might try dredging.

Edward Bellamy, the distinguished author, is coming to Chicago Falls, Mass., the home of his birth and birthplace.

The Spanish commander Cerroza and the American officer Dewey have both received congratulations from their respective countries, the latter for fighting and the former for running successfully.

It is appropriate that Judge Hudon should come back to the streets of his beloved to deliver an address to the school; and there is no man who would be more cordially welcomed.

If the news is straight, Sampson may soon be off to the Philippines. We hope, though a number of fine steamers have been charter-rigged to the respective vessels, the orders have been transferred to7.

The Best Salve in the World for Scabies and Skin Eruptions, and posibly discharged: G. Triplett, E. Wilson, J. McGarathy.

The following is a copy of the speech of the Secretary of State.

The Secretary of State, in his tournament on the subject of the Spanish War, has been so far in advance of his rivals that he can only be expected to do nothing but run away.

The increased price of flour is not due to the action of the Bureau of Internal Revenue, but to the increasing price of wheat. It might be possible to dictate terms to the government in the conduct of war. Mr. Lincoln, it is said, did not do anything radically wrong when he made the order to attack.

Before Summer

gets the best of your eyes!

Summer time is trying on weak eyes and nothing but glasses will protect them. Only those who have been relieved by the use of glasses understand what bearing the condition of the eyes has on the general well being of the wearer. If you need the services of a good optician we can serve you—will and cheaply.

Don't forget that we are running that special price of $1.50 for putting your entire watch in thorough repair, until June 1st, 1898.

Come now and after it is too late.
