Rodman Items.

Rodman, June 3.—We had a good rain this evening, which was greatly needed. The little corn and cotton will begin to grow. Cotton has been chopped but I expect it will have to be chopped over again. Corn is looking well.

Next is the time for setting out potato plants, which is a tedious task.

June cherries are getting ripe and cherry pie will be enjoyed by all. The birds are enjoying the cherries to the fullest extent.

Several from here attended the celebration at Hopewell and enjoyed the finest weather.

A good number of our people took advantage of the cheap rates to Charlotte and spent two days pleasantly in that pretty city.

Mr. Harper Millet visited his daughter, Mrs. Secret, at Mount. Called on Mrs. Porter Gaston and the Misses Dunlap visited friends here.

Mrs. Mary Gil left for Richburg, after spending several days with relatives and friends.

Mrs. Mary Amelia Varnadore has returned to Bascomville from a visit to Mr. Bob Motley.

Judge W. H. Brawley spent one day last week with Mrs. James Waters.

Several from here attended the celebration at Hoppewell and enjoyed the day very much.

A good number of our people took advantage of the cheap rates to Charlotte and spent two days pleasantly in that pretty city.
Two South Carolinians on February 16, 1948, were sentenced in the
U.S. District Court at Columbia, South Carolina, by Judge George Bell
Timmerman to prison terms after pleading guilty to submitting fraudulent
income tax returns.

L. A. Marsha of 1329 Fairview Drive, Columbia, South Carolina, owner
and operator of a textile brokerage firm here, drew a sentence of a year
and a day in Federal prison plus a fine of $5,000.00. Joseph D. Palarz,
Dillon, South Carolina department store owner, was sentenced to six
months in prison plus a fine of $1,000.00.

Agents of the Internal Revenue Bureau testified that Mr. Marsha had
filed false and fraudulent tax returns for the years 1942, 1943, and 1944
by not recording some sales, inflating business expenses and concealing
income. For the year 1943 Marsha reported an income of $11,263.03 the
agent said, while his income should have been reported as $73,485.69.
For the year 1944 he reported an income of $48,932.33, but his income
was actually $276,891.00.

In addition to the fine and prison sentence, assessment of additional
income tax for the three years referred to above amounted to $251,396.76
plus fraud penalty of $125,528.37 and interest amounting to $20,143.56.
The total additional assessed against Marsha amounted to $397,569.32.

In the case of Joseph D. Palarz, the additional tax assessed against
him amounted to $29,836.75, the fraud penalty $15,210.60, and interest of
$6,017.88, making a total of $51,065.23.
The agents of the Bureau of Internal Revenue testified that the gross sales of Mr. Palera in 1942 were $38,812.85, of which $16,973.10 was unreported. In 1943 his sales were $99,473.00, of which $19,856.83 was unreported, and in 1944 his sales were $153,477.60, of which $30,966.49 was unreported.

From the best records available, these are the first cases involving the filing of fraudulent income tax returns in South Carolina which have gone to trial and brought about a sentence in many years. There is some indication that there may be some additional cases of this type in the near future.
