...
Why You Should Own a Maxwell

Comfort
First, because it is a comfortable riding car. Plenty of room for five people; deep, soft cushions; springs made of the best spring steel, scientifically heat-treated, accurately suspended and balanced. You will always be comfortable in a Maxwell.

Appearance
Second, because the Maxwell is a trim, smart, good-looking car.

Service
Many makers of heavy, high priced cars, as you know, have copied the general lines, the shape of the body and hood of the Maxwell. This is more of a compliment than an infringement.

Low First-Cost
Third, because the Maxwell, being a product of thirteen years evolution, is a declared and manufactured that it gives unsatisfied, consistent and satisfying service to thousands of owners.

Low After-Cost
Maxwell cars are made of the best materials that money and brains can buy—and they are made right. You can get out of any car only what is put into it.

Fourth, because you get everything in a Maxwell that you can get in any car and you get it for less money.

The answer to this is that the Maxwell is a light car and it is built in enormous quantities. The Maxwell Co. is one of the three largest producers of high-grade motor cars in the world.

We say this without hesitation or doubt. It is our honest belief and we are willing to prove it by Maxwell owners, by comparison with any other car or by any other way you suggest or prefer.

The Maxwell will please you. We know it will. Let us arrange for a demonstration and we will take the responsibility of satisfying you completely.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Escape
Conditions, Mrs. Bellard Gave Up Despair. Husband Came to Rescue.

A more humanly interesting letter than this from Mrs. Belle G. Bellard, wife of former Sheriff William E. Bellard of Abbeville, was received at the Daily Record office this morning. Mrs. Bellard has been a victim of the law for four years, her husband's life, and a number of others, having been arrested for a crime of which her husband was innocent.

The wife has been in jail ever since the trial of her husband, who was arrested on a charge of murder.

WHAT CAN YOU DO FOR CATARRH?

Ask yourself the question. How often has the doctor failed to help you? The answer is: often. The remedy for catarrh is to drink warm water, and to get plenty of rest.

The urge to sneeze is a natural reflex action which helps to expel mucus from the nose and throat. When this occurs, it is important to remain quiet and still, and to allow the sneeze to take its full course without straining or forcing it. This will help to prevent the formation of mucus, which can cause congestion and discomfort.

GOOD FOR GOUT

Hay fever, rheumatism and gout are all caused by an excess of uric acid in the blood. It is important to reduce the amount of uric acid in the body by avoiding foods that are high in this nutrient, such as red meat and alcohol.

MAKE YOUR OWN PAINT

Save 58 cents per gal.

IT'S SIMPLE... THIS IS HOW

1. Take a water-base paint and add 1/2 cup of water.
2. Mix well until the paint is smooth and even in color.
3. Apply to the surface using a paintbrush.

I'M SURE YOU CAN MAKE YOUR OWN PAINT.
CAMPING ON MOUNT MITCHELL

Interesting Bucket List Item By The

This is to be one of the best items on our camping list, one that has been lauded by many and is considered one of the best outdoor experiences. Whether you are a seasoned hiker or a beginner, this mountain offers a unique opportunity to enjoy nature at its best.

STEWART L. CASSELS

"At the time of this writing, the city of Asheville is in the process of taking action to improve the situation of dogs that roam around the streets of the city. The city council has passed an ordinance requiring every owner of dogs to keep their pets confined or on a leash when in public places. This measure is aimed at reducing the number of stray dogs and ensuring the safety and health of both dogs and humans."

"With the recent introduction of the Asheville EpiPen, the city is well-equipped to handle any emergency. The EpiPen is a life-saving device that can be used to treat allergic reactions, and it is readily available at most pharmacies. The city also encourages pet owners to ensure their dogs are up-to-date with vaccines and to always keep their pets under control.

"The city council has also passed an ordinance that makes it mandatory for all dog owners to have their pets vaccinated against rabies. This is a crucial measure to prevent the spread of rabies and to ensure the health of the city's pets."

"Finally, the city council has mandated that all dog owners must register their pets and pay an annual fee. The collected funds will be used to support the city's animal control program and to provide resources for the care of stray and lost pets.

"In conclusion, the city of Asheville is taking proactive steps to improve the situation of dogs and to ensure the safety and health of both dogs and humans. With the support of all residents, the city can achieve its goal of creating a safe and healthy environment for all.

HOT DISCUSSION OVER WAR IN THE BRITISH CAPITAL

Jamaica Arber Made Men Drunk

War. P. Elishs, recorder and county counsel of the city of Calgary, and T. W. Smith, chairman of the Calgary Board of Education, have issued a statement regarding the recent incident where alcohol was used to make women drunks. The statement calls for a ban on all alcoholic beverages in the city. The incident took place at an event where a group of women were given alcohol, and it has sparked a national debate on the role of alcohol in society.

FOR SHERIFF.

Ms. M. A. L. Smith has announced her candidacy for sheriff of the county of Westmoreland. She has been a prominent figure in local politics and has been active in community service. Ms. Smith has promised to bring a fresh perspective to the position, focusing on issues such as law enforcement, community safety, and the economy.

McCARTY,  PRESIDENT

Advertising are contained in a state fund. The basic value of honesty in advertising is now being questioned by Walter E. Flanders, president of the Maxwell Motor Company. They may easily be transferred to the imagination by Colonel Churchill. He would look at the Germans and say, "I think I'll start a magazine to be called "Honesty". "People are not apt to take it.

The consequence of a fundamental value of honesty in advertising is now being questioned by Walter E. Flanders, president of the Maxwell Motor Company. They may easily be transferred to the imagination by Colonel Churchill. He would look at the Germans and say, "I think I'll start a magazine to be called "Honesty". "People are not apt to take it.

On the subject of truth in advertising, you cannot truly reflect the Maxwell organization and you cannot have the necessary supplies. The consequence of a fundamental value of honesty in advertising is now being questioned by Walter E. Flanders, president of the Maxwell Motor Company. They may easily be transferred to the imagination by Colonel Churchill. He would look at the Germans and say, "I think I'll start a magazine to be called "Honesty". "People are not apt to take it.

The Yankee farmer makes $500 more a year than we do. We are as smart as he is and must learn to make this extra $500, too.

The Chance You Seldom Have

The Progressive Farmer will carry every week for the next six months notable articles by Prof. W. F. Massey, "The Grand Old Man of Southern Agriculture." He will discuss, each article telling how do that job:

1. We Must Learn Why We Make Our Own Lands Richer
2. We Must Make Our Own Seeds Heavier
3. We Must Make Our Own Seeds Heavier
4. We Must Learn How to Make Better Use of Our Fertilizers
5. We Must Learn How to Improve Our Method of Cultivation
6. We Must Learn How to Make Our Own Seeds Heavier
7. We Must Learn How to Make Our Own Seeds Heavier
8. We Must Learn How to Make Better Use of Our Fertilizers
9. We Must Learn How to Improve Our Method of Cultivation
10. We Must Learn How to Make Better Use of Our Fertilizers
11. We Must Learn How to Improve Our Method of Cultivation
12. We Must Learn How to Make Better Use of Our Fertilizers
13. We Must Learn How to Improve Our Method of Cultivation
14. We Must Learn How to Make Better Use of Our Fertilizers
15. We Must Learn How to Improve Our Method of Cultivation
16. We Must Learn How to Make Better Use of Our Fertilizers
17. We Must Learn How to Improve Our Method of Cultivation
18. We Must Learn How to Make Better Use of Our Fertilizers
19. We Must Learn How to Improve Our Method of Cultivation
20. We Must Learn How to Make Better Use of Our Fertilizers
21. We Must Learn How to Improve Our Method of Cultivation
22. We Must Learn How to Make Better Use of Our Fertilizers
23. We Must Learn How to Improve Our Method of Cultivation
24. We Must Learn How to Make Better Use of Our Fertilizers

RULING BY EVANS UNSATISFACTORY

Colonnels messes an Exposition of the Iowa State Agricultural Committee

Columbus, June 1.—This is the first time that any state agricultural committee, under the State, has ever been constituted with a colonial or government official in it. It is a check on the present, or what it is, and it would not have a place in the same way it is organized.

The chairman notes that this office is a State office. The law was that the State officers shall be won without any bias. The prevailing question is whether we can pull a line and if we can, we will not come out of this office a thoroughly unscientific body.

We have been dealt with a feeble job, but we may still reach a campaign of enlightenment by reposing ourselves for the conversion of the warehouse system and the possibility of its extreme and perfection, which I think might interest the most of the audience.

J. A. BANKS, President.

Columbia, May 24.—State Chamber’s Reply. You have a certain amount of whom you may not speak the language of the State officers, or the chairman, or of any of the State officers. The chairman is to be the State officer, and it should be the same persons.

Dear Sir: I have your letter in which you ask me to speak the language of the State officers. I can say to you that the State officers are not the same persons and there is no use in speaking the language of the State officers. The chairman is to be the State officer, and you should be the same person.

Yours, etc.,

C. J. ELLIOTT, Mayor.

CITY SCHOOLS CLOSE.
