The Store that Does Things

Every man, woman and child is commanded to attend this event. Entire above stock will be sold on our premises, that we guarantee to protect every buyer accordingly.

We will throw from the roof of our Building to the masses that will gather in front of our Store, June 6th, at 9 a.m., United States Coin.

Fare Paid to Every Purchaser of Twenty-Five Dollars and Over to Chester and Return.

NOTICE—Our Store will be Closed Monday and Tuesday, 4th and 5th, to arrange and re-mark every article in the house.

Owing to our reputation as merchants of high grade dependable merchandise, the prices are as represented and not in any way exaggerated in this advertisement, buyers can have money refunded at any time for any reason whatsoever. In order to prove to you the tremendous sacrifice that must be made at this "Sale of all sales" we quote in this circulated a few of the thousands of bargains that await your coming. In consequence of the very large purchase we find our stock too large and being short of room we are compelled to throw upon the market our entire stock in this gigantic sale—which will last for ten days only.

Why We Haven't Changed Our Advertisement

We have not had time, but in spite of the rush we must take time to thank the enormous crowd that has helped the store of wisdom under, that money saved is better than money made.

We are trying to keep a stock of Bone Dry Corn, White Chipped Oats and Water Ground Meal which we as we are the for many money the dealer can afford to sell.

We also keep a stock of the Best Price Flour which we still offer at $2.35 per hundred we defy competition.

IT'S a wonder for the money. Built "Summer-saver" with curbstone further and with all the degrees of a heavy-weight garment. The ears are large and roomy, with broad graceful shoulders and light-fitting cut. The medium is literally cut, slightly pelled, made with or without turn-ups. There are a little of roughs that give nobility and individuality to the whole garment. The fabric, fashion and finish is better than the price deserves.$15.
