We positively will not carry Clothing or any other Spring and Summer Goods over from one season to another, and as we do a strictly cash business we have no credit customers to dump off left-overs on, therefore we must get rid of these goods no matter how great the loss. This sale will abound with money-saving inducements that will truly prove a tonic for over-worked pockets. In order to prove to you what a tremendous sacrifice must be made we have mentioned a few of the extraordinary bargains that will be offered.

Bear in mind everything must go rapidly and that there are one thousand different articles which cannot be mentioned here.

---

We advise you to save this and bring it with you so there will be no chance of you not getting exactly the goods mentioned in this bill.

Nothing charged—no phone orders filled—too busy.

Satisfaction guaranteed in every instance or money promptly refunded. We caution you to come early. Merchants desiring to purchase a portion of this stock must call between the hours of 9 and 10 a.m. Everything marked in plain figures and will be sold positively as marked.

"Old Bloody Nell!"

Our present place, which overlooks the county, was once the home of a man who lived in these parts many years ago. He was a man of the name of Armstrong and was one of the first settlers of this county. He lived on what is now the site of the present county courthouse. He was a man of many stories and traditions, and is said to have been very outspoken. He was a strong supporter of the Union during the Civil War and was known to be a hard drinker. He lived on the 17th and passed away on the 19th, leaving behind him many tales and legends that are still told today.

**School News**

The school board has made the final decision to build a new school near the center of the county. The building will be a two-story structure with classrooms on both floors. It will be completed by the end of the month. The cost of the building is estimated to be $5,000.

The quake had broken all the water spread to the surface. Helen is alone. Siphons alone. The earth trembled under her feet. Gutted and a great roar accompanied it. On street to the Bay beyond North Beach. The city is burned from the Ferries but our piano and some beds are not burned. The only theatre in town has been destroyed. The best fitted for the places. The Pocahontas Guards are determined to serve until after the close of the exhibition visitors.
