**Semi-Annual Clean Sweep Sale**

**Beginning**
June 20th, at 9 O'clock, and Continuing 10 Days

Doors Closed Tuesday Marking Clean-Sweep Prices.

We positively will not carry Clothing or any other Spring and Summer Goods over from one season to another, and as we do a strictly cash business we have no credit customers to dump off left-overs on, therefore we must get rid of these goods no matter how great the loss. This sale will abound with money-saving inducements that will truly prove a tonic for over-worked pockets. In order to prove to you what a tremendous sacrifice must be made we have mentioned a few of the extraordinary bargains that will be offered.

Bear in mind everything must go rapidly and that there are one thousand different articles which cannot be mentioned here.

We advise you to save this and bring it with you so there will be no chance of you not getting exactly the goods mentioned in this bill.

The truth of the matter is that the boy had been kidnapped and locked up and the boy was taken to another town. The father of the child had been informed and he had gone to the city to get the police to help him. The police were unable to find the boy, but they did find a clue to his whereabouts. The clue led them to a house where the boy had been taken.

The case was taken to the police, who were able to track down the kidnapper. The kidnapper was found to be in possession of the boy and was arrested. The boy was returned to his father and the kidnapper was brought to trial. The trial was held in the courthouse and the kidnapper was found guilty of kidnapping the boy.

The kidnapper was sentenced to spend several years in prison. The boy was returned to his father, who was overjoyed to have him back.

The case became a cause célèbre and many people were outraged by the kidnapping. The police were praised for their efforts in tracking down the kidnapper and bringing the boy back to his father.
