Greatest Monument to Southern Soldiers

The most splendid monument to the brave soldiers of the Confederacy, and one of the most important works of art in the world, has just been completed in Richmond, Va. The cost of the monument has been $1,000,000, and it is said to be the most costly and elaborate work of art ever undertaken by any state or city in the United States.

The monument is a massive structure of marble and granite, and is situated in a park overlooking the James River. It is the largest and most elaborate Civil War monument in the country, and is a fitting tribute to the brave soldiers who fought for the Confederacy.
