BEAUTY SPOT OF THE MOUNTAINS

In Western North Carolina there is a section of country known for its beauty, its pure air, its quiet beauty, its cleanliness, its absence of pollution. It is not far from the heart of Southern Railway System, and is only a short distance from the city. It is a land of beauty, of peace, of rest. It is a land where the dictates of nature are not violated. It is a land where beauty is not destroyed by the hand of man. It is a land of beauty, where the beauty of nature is preserved. It is a land of beauty, where the beauty of nature is not marred by the hand of man. It is a land of beauty, where the beauty of nature is preserved.
