AND THE POSTMASTER AT CHESTER

July 13.—The Postmaster at Chester has been under considera-

tion for a time and then concluded to doit. He said that he would

not do it—then said he would. He said that he would do it—then

said he would not. He said that he would do it again—then

said he would not. He said that he would do it ever so many times

and nobody ever knew what he was going to do. The people of

Chester are very much interested in the matter because it is a

matter of public importance and interest. The Postmaster is

expected to do something about it soon.

RAILROAD WAGES

Shall they be determined by Industrial Warfare or Federal Inquiry?

The American Public:
Do you believe in arbitration or industrial warfare?

The travel employees on all railroads are voting whether they will give their leaders authority to up the commerce of the country to enforce their demands for a 100 million dollar wage increase.

The railroads are the public—your service. This army of employees in the public service—your service.

You pay for rail transportation 3 billion dollars a year, and 44 cents out of every dollar from you goes to the employees.

On the 30th of January, 1915, in the solicitation of the train employees voted these wages (lowest, highest and average of all) as their demands under the conditions:

| Engineer | $1250 | $1455 |
| Conductors | $1847 | $1455 | $1455 |
| Firemen | $1240 | $1439 | $1440 |
| Brakemen | $1180 | $1450 | $1490 |

The average wage per passenger miles for all trains according to the railroads is 1497.
